THE BODY OF WORK INVENTORY™

The Co.LLab: Building Leadership Infrastructure™

Most creators can name their best work off the top of their head. Almost none have a complete, written record of everything they've made — which means almost none can see the actual shape of their body of work, or protect it.

This tool is that record. Fill in one row per piece of work: a project, a piece, a release, a client engagement — whatever "a unit of work" means in your practice.

FOR EACH PIECE OF WORK, RECORD:

Title / name:

Date or period made:

Format (what it actually is):

Where it lives today (platform, file, physical location):

Who it was for / who has seen or used it:

Do you hold clear ownership or rights to it? ☐ Yes ☐ No ☐ Not sure

Is it backed up / preserved anywhere other than the original? ☐ Yes ☐ No

Could someone else find and understand this without you explaining it? ☐ Yes ☐ No

Repeat this block for every piece of work worth recording — most creators find this easiest done in one sitting, working backward from the most recent.

ONCE YOUR INVENTORY IS STARTED, ASK:

What pattern shows up across the body of work — a theme, a method, a recurring subject?

What percentage of it is preserved somewhere durable, not just on one platform or one drive?

If you stepped away for a year, what part of this body of work would be hardest for someone else to find or make sense of?

NEXT STEP

A complete inventory is the raw material for real Preservation-phase infrastructure. When you're ready to turn it into an actual estate and succession plan, see **Creative Estate Mapping™** (\$200).

Build the infrastructure. Strengthen the practice. Create the legacy.
