What's Only In Your Head

If it only exists in your head, it doesn't exist for the organization yet.

-
- ☐ My key decisions and their reasoning are written down somewhere.
 - ☐ At least one other person could explain my priorities in my absence.
 - ☐ Critical relationships aren't dependent on me personally to continue.
 - ☐ Important documents and systems are accessible to more than just me.
 - ☐ I've identified who would need to be brought up to speed, and how.
 - ☐ Institutional memory doesn't live only in informal conversations.
 - ☐ There's a plan for what happens to unfinished work if I step away.
 - ☐ I've reviewed this list in the last twelve months, not just once.
