One Strength Starter™

A single-page starter for naming and building from one leadership strength — nothing more, nothing less.

Start With One

Resist the urge to list five. Pick the strength that's most load-bearing right now.

01 **NAME IT**

Write the strength in one sentence, no qualifiers.

02 **PROVE IT**

Describe one recent, specific example of it in action.

03 **BUILD ON IT**

Choose one small action this week that uses it on purpose.
