THE CO.LLAB™ · BUILDING LEADERSHIP INFRASTRUCTURE™

Every company starts with a vision. **Most lose it.**

The Co.LLab™ is the infrastructure that defines, builds and passes it on, licensed as IP.

LET'S BUILD YOUR LEGACY
THROUGH OMNIDIRECTIONAL ENTERPRISE™

Can you answer these **four questions?**

PHASE I

Foundations

What should never be lost as we grow?

PHASE II

Infrastructure Planning & Management

What depends on a person that should belong to the organization?

PHASE III

Internal Operating Systems

How do we make what matters part of how we operate?

PHASE IV

Preservation

What must exist for what we built to continue?

LEADERSHIP INFRASTRUCTURE™

Leadership, made **structural.**

Captured, documented, and embedded so it **outlasts the individuals who hold it.**

Define it.	PHASE I Foundations
Plan it.	PHASE II Infrastructure Planning & Management
Live it.	PHASE III Internal Operating Systems
Pass it on.	PHASE IV Preservation

OUR MISSION

To build leadership infrastructure that empowers people and organizations to transform human potential into performance, sustainable enterprise value, and lasting legacy.

OUR VISION

A world where infrastructure is built around human potential, rather than people being forced to conform to infrastructure that was never designed for them.

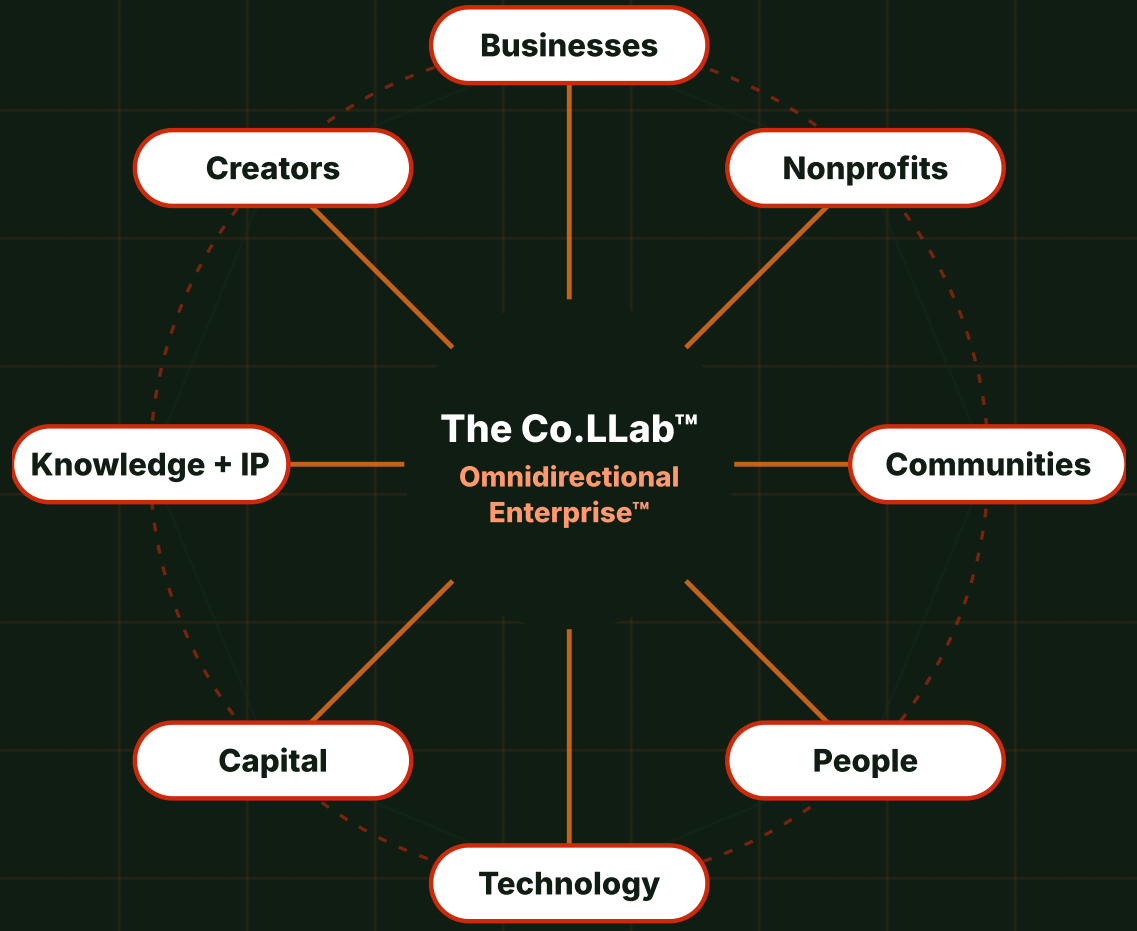

OMNIDIRECTIONAL ENTERPRISE™

Not a funnel. **A coordinated system.**

Value moves in **every direction** between people, ideas, products, organizations and community, with many ways in, all connected to Leadership Infrastructure™.

It links **contribution, ownership and return**, so the people who build the work and the people who carry it all belong to the same system.

Built on ethics. How we treat people is part of the infrastructure.
